

**FREE** one day workshop  
*in*  
**'Counselling skills &  
communication'**

The day will be fun and interesting; it will offer you a chance to learn the secrets of body language, environment and creative techniques.

The day will be taken by Lin Fews *BSc honours psych. P.G.couns* who is an experienced counsellor and trainer.

**Recent comment on a counselling communications course run by Lin at Heyward Community School, Forest of Dean**

**'I would just like to give you feedback on how much I have enjoyed these few lessons'.**

I would just like to say how much I have enjoyed this Counselling Taster Course. I have loved every moment of it and each Lesson has provided me with information, tools and techniques to use with my students either in a mentoring capacity or as a support teacher. Thank you once again.
